THREE & FOUR YEAR OLD CLASS

LOCATION:

The pre-school is located in the Clear Creek Church building on the corner of S.E. 182nd Avenue and S.W. Fifth Street, between Division and Powell Blvd., Gresham, Oregon.

EMPHASIS:

We want to introduce each child to a positive and fun learning experience. That school is a place where they can learn to work and play with other children their own age while also becoming accustomed to being directed by a teacher. The children learn to play as a group, learn to follow directions, as well as expressing themselves verbally.

COURSE:

We use stories, themes and songs to give lessons in counting, alphabet and number recognition, along with calendar skills and some simple science activities. We use music, games and art to teach many things, including social skills, rhythm and motor skills. We also strive to let each child express themselves through art and opportunities to share verbally.

Prayer is incorporated into each day, and one of our stories each month will be from the Bible. They also are taught a simple Bible verse each month. As a teaching aide, we also teach some simple American Sign Language (ASL) signs.

SNACK:

We provide a snack each day. We try to give healthy snacks, either milk, juice or water and various kinds of crackers, fruit, and occasionally veggies or cheese. Special treats for holidays and/or a child's birthday are usually provided by the parents.

TEACHERS:

Only experienced and qualified teachers are hired. There is also a teacher aide to assist the teacher (sometimes two aides, depending on the size of the class).

PUPILS:

To be eligible for this class, the child should be three (3) years old by September 1, 2017 (and preferably potty trained.)
